Campgrounds

We have full RV hook ups including water, sewer, and electric. All available lots are within walking distance to the lake and swimming beach. Lots of room for children to play, explore and ride bike!

Cabins

Our cabins are very unique and offer all the comforts of home, except a phone. Two cabins are seasonal and are located on the premises. The other cabin is available year round and is located at Sunset View approximately two miles from the resort. All three cabins sleep a maximum of eight. The two cabins on the premises include a beautiful stone fireplace, cable TV, air conditioning and have full kitchens. Both of these cabins are located next to each other on a point off Big Stone Lake. They share
